

# THE WATERHOUSE CLUB

## EXPRESSION OF INTEREST FORM

**As the Club's expeditions and events are frequently over-subscribed we offer you an opportunity to "express early interest" in any of our offerings.**

This assists the Club to plan with confidence but please note an expression of interest does not guarantee a booking will be accepted as this will depend of the numbers who have registered an early interest and the maximum number of places available.

If you would like to express interest in joining any event or expedition, please complete this form and return it to the Waterhouse Club Secretariat via:
