

## BUS TOUR OF HISTORICAL PORT ADELAIDE AND SEMAPHORE 27<sup>TH</sup> SEPTEMBER 2023

20 members of The Waterhouse Club met at 9.45 in the car park of Birkenhead Tavern for the Port Adelaide Heritage Bus Tour with Dr Peter Shaughnessy (guide) and Phil (driver). This tour around the historical Port was very informative we stopped for morning tea at the Port Adelaide Historical Society Museum.

This wonderful Museum contains historical collections of Port Adelaide, Semaphore, LeFevre Peninsula and environs, including the collection of Keith Leleu, which was commenced in 1962 to address the loss of all things maritime. It houses a wide collection of artefacts, published materials, books, photographs and models; arranged to interest all who love Port Adelaide and ships.

We enjoyed morning tea with yummy homemade Anzac biscuits while looking over the amazing collection.

At the end of our tour, we all enjoyed lunch at the Birkenhead Tavern, and a small number of us continued to the South Australian Maritime Museum for a tour.

This tour could be re-run next year as the members enjoyed the event.
